

## ETIQUETTE SONG

I am gonna order everyone here - 4  
For rules and regulations we use orders  
For giving instructions we use orders  
To stress more on anything we use orders  
To make compulsion we use orders

Do ,don't, should, shouldn't must, mustn't,  
have to, should be used in the orders

I am gonna.....

Sit down stand up don't open your mouth  
You should take bath you have to set path  
Order is over let's learn to request..... 2

I am gonna request everyone here- 2  
To be more polite we use requests  
To be more humble we use requests

May, can, could, please  
These are important in the request

-I am gonna request..... 2

Can you guide me?  
May I help you?  
Could you teach her?  
Please sing with me all together.  
I am gonna request everyone here—2
